The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

AGREEMENT BETWEEN COUNTY OF LOS ANGELES AND VARGIS LLC FOR DIGITAL AERIAL IMAGER DATA AND SERVICES

(3-VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the enclosed three-year Agreement between the County of Los Angeles and VARGIS LLC in the amount of \$ 3,800,000. for the acquisition of countywide aerial imagery products including: digital terrain datasets, 2 foot elevation contours, 4 inch pixel resolution color orthogonal and infrared imagery. The effective date for this Agreement shall be the date of execution of this Agreement by the County and VARGIS LLC. Costs will be offset by Participating Entities.

PURPOSE OF RECOMMENDED ACTION

Approve this Agreement will enable VARGIS LLC to acquire high resolution orthogonal imagery and associated products of the entire Los Angeles County region. This imagery represents the first of three deliverables that will be distributed to members of the Los Angeles Region-Imagery Acquisition Program (LAR-IAP) that was approved by your Board on August 30, 2005. The two remaining deliverables (oblique imagery products and a quality control report) will be obtained through separate agreements that will subsequently be presented to your Board for approval.

The primary objective of LAR-IAP is to significantly reduce the cost of this imagery for the entire county region by sharing acquisition and processing costs with multiple County Departments and other public entities. The cost savings to participants for all four (4) imagery products will be approximately 40% less compared to the cost of independently obtaining these required images.

JUSTIFICATION

The integration of high quality aerial imagery with Geographical Information Systems (GIS) has been demonstrated to significantly increase worker productivity and quality, and improved service to constituents. The County Quality and Productivity Commission (QPC) awarded the Department of Public Works (DPW), Department of Regional Planning (DRP) and the Chief Information Office (CIO) the Silver Eagle Award (#2 of the "Top 10" Productivity and Quality projects in 2003). This project was also showcased at the 2004 National Association of Counties Annual Conference (NACo).

Orthogonal and oblique imagery and associated data allows users to zoom in on any parcel and see all sides of buildings to measure heights, look at structures from several different angles, find elevation for any point on the image, etc. The imagery is helping departments in many activities especially with property assessment, facilities management, flood control, road design, planning and zoning activities, and zoning enforcement.

The CIO contracted for a GIS study in 2002 to review the use of GIS across County Departments. The study identified that 90% of the data and GIS expertise was maintained in six (6) County Departments and there was no formal mechanism to support resource and data sharing between all County Departments. The study also determined that 75% of the County Departments indicated that their operations would benefit from the availability of geography information, including imagery. This growing demand for GIS data and improved data sharing has also expanded the demand for access to updated imagery.

Based on the growing interest and desire for GIS imagery and data among County Departments, the opportunity to acquire enhanced imagery and the potential savings through cost sharing, the QPC, CIO, and Chief Administrative Office (CAO) recognized the benefits of expanding the shared cost model for aerial imagery to County Departments and other cities and agencies. With this encouragement and support, the CIO and DRP have moved forward with the formation of the LAR-AIP.

FISCAL IMPACT/FINANCING

The \$3,800,000 Agreement with VARGIS, Inc. is one of three procurements necessary to complete the objectives of the LAR-IAP. The total cost of the LAR-IAP is estimated at \$5.6 million and the County share of this cost will be reduced by the amounts contributed by the participating public entities. The written and verbal expressions of interest in participating in this project will reduce the net County obligation to \$3.2 million (40% savings) which will be paid by participating County Departments. This program is structured to require no additional Net County Costs.

Funds have been allocated from a loan from the Quality and Productivity Commission and an approved grant from the Information Technology Fund to ensure full funding of this program until such time that contributions have been received from participating public entities.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This Agreement has been approved as to form by County Counsel.

CONTRACTING PROCESS

Notice of this competitive procurement was posted on the Internal Services Vendor website and notices were also sent by mail to 18 vendors who participated in limited this market space. Twelve firms attended the Proposers' Conference and included firms from New York, Virginia, Texas as well as local firms.

Bids were received from six (6) proposers and all were found to meet the minimum requirements. A bid evaluation panel was established that included representatives from County Departments and key public entities. The panel used an objective scoring process that included scores for technical approach, quality control, schedule, vendor qualifications, licensing strategies, and evaluation of sample imagery, acceptance of County Terms and Conditions and cost.

Total scores ranged from a low of 462 points to a high of 819 of 1000 points. The average bid was \$4.0 million and VARGIS, this highest scoring vendor, had a bid of \$3.8 million.

STRATEGIC PLAN GOALS

The LAR-IAP supports the following County Strategic Goals:

1. Service Excellence

The acquired imagery will assist in providing the public with personalized spatially specific information and direct services through web-based spatially enabled imagery (land use, law enforcement, access to County service locations, etc.).

2. Workforce Excellence

Use of this imagery, combined with other data layers (parcel data, street networks, service boundaries, political boundaries, etc.), will allow the County workforce to make better decisions by adding a visual context to constituent issues and needs. Imagery will also provide information to correct errors in parcel, land use and permit tabular data.

3. Organizational Effectiveness

The use of standardized imagery will introduce a common language tool to all County Departments and outside participating agencies to visualize the same land use issues in the same way through a common geospatial image and data layers. The service delivery systems are more efficient because the cost of the imagery and tools are shared and will allow participating departments and agencies to concentrate on their core missions.

4. Fiscal Responsibility

By sharing the cost for acquiring this data, the County will save 40% over the cost of obtaining this necessary imagery independently.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Establishment of the LAR-IAP will achieve the following benefits:

- Cost savings: 40% on imagery acquisition costs based on the collaboration with other public entities, volume discount pricing and cost-sharing through the joint acquisition strategy.
- Cost savings: 50%-75% reduction in the indirect costs associated with the legal and procurement process by eliminating multiple procurements of the same product.
- Increased worker productivity: High levels of precision in digital aerial imagery tools will reduce time spent on site visits and provide a more comprehensive view of land use issues.

- Enhanced decision support: Digital imagery will aid in understanding and providing a context to constituent issues regarding land use issues at Board meetings, community meetings, hearings, etc.
- Service enhancement: Unifying digital aerial imagery will improve communication among all LA County government entities.
- Service enhancement: Integration of digital aerial imagery with GIS parcel databases and other GIS layers will provide a better context for improving the decision-making process.
- Future cost avoidance: Elimination of multiple acquisitions from agencies for the same area.

CONCLUSION

The approval of this Agreement will allow the LAR-IAP to move forward with the orthogonal aerial images and associated products for the LAR-IAP and achieve the goal of cost saving and increased benefits to our constituents through meaningful public agency collaboration and partnerships.

2. Section 504, Rehabilitation Act of 1973;
3. Age Discrimination Act of 1975;
4. Title IX, Education Amendments of 1973, as applicable; and

and that no person shall, on the grounds of race, creed, color, national origin, political affiliation, marital status, sex, age, or handicap, be subject to discrimination as to any privileges or uses gained under this Agreement or under any project, program or activity supported by this Agreement.

- 44.6 Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 44 when so requested by County.
- 44.7 If County finds that any of the provisions of this Paragraph 44 have been violated, such violation shall, at the election of County, constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Agreement.
- 44.8 The parties agree that in the event Contractor is found to have violated the anti-discrimination provisions of this Agreement, and that such discrimination was directly associated with the performance of services provided under this Agreement, County may require, pursuant to Los Angeles County Code Section 4.32.010 (E), that Contractor pay the sum of Five Hundred Dollars (\$500) for each such violation, in lieu of terminating or suspending this Agreement, as liquidated damages are extremely difficult to ascertain or calculate precisely. In the alternative, County may elect to terminate this Agreement pursuant to Paragraph 25 (Termination for Default).

45. RESTRICTIONS ON LOBBYING

45.1 Federal Funds Projects

If any Federal funds are to be used to pay portion for any of Contractor's work under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds provided under this Agreement also fully complies with all such certification and disclosure requirements.

45.2 County Projects

Contractor, and each County lobbyist or County lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may immediately terminate or suspend this Agreement.

46. NONDISCRIMINATION IN SERVICES

- 46.1 Contractor shall not discriminate in the provision of services hereunder because of race, color, religion, national origin, ancestry, sex, age, or physical or mental

handicap, in accordance with all applicable requirements of Federal and State law. For the purpose of this Paragraph 46, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of the facility, providing any service or benefit to any person which is not equivalent or is not provided in an equivalent manner or at an equivalent time to that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit.

- 46.2 Contractor shall ensure that recipients of services under this Agreement are provided services without regard to race, color, religion, national origin, ancestry, sex, age, or condition of physical or mental handicap.

47. EMPLOYMENT ELIGIBILITY VERIFICATION

- 47.1 Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding employment of aliens and others and that all its employees performing services under this Agreement meet the citizenship or alien status requirements contained in Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603). In the event Contractor fails to comply with the provisions of this Paragraph 47, County may, in its sole discretion, terminate this Agreement for default.
- 47.2 Contractor shall obtain from all employees performing under this Agreement, prior to commencing any work hereunder, all verifications and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain such documentation for the period prescribed by law.
- 47.3 Contractor shall indemnify, defend, and hold harmless County, its Special Districts, elected and appointed officers, Subscribers, employees and agents (hereinafter "County Indemnitees"), from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, but not limited to, defense costs and legal, accounting and other expert, consulting or professional fees, arising out of or in connection with any employer sanctions and any other liability which may be assessed against Contractor or County in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Agreement. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 47 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County in writing, which approval shall not be unreasonably withheld. Notwithstanding the foregoing, County shall have the right to participate in any such defense, at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as required by law or this

Agreement, County shall be entitled to reimbursement for all such costs and expenses.

48. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF / RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the Effective Date to perform the work set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified former County employees who are on a re-employment list during the term of this Agreement.

49. CONSIDERATION OF HIRING GAIN / GROW PROGRAM PARTICIPANTS

Should Contractor require additional or replacement personnel after the Effective Date, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by job category to Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

50. PROHIBITION AGAINST INDUCEMENT OR PERSUASION

50.1 Contractor and County agree that, during the term of this Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party.

50.2 Notwithstanding the foregoing, County shall be entitled to make offers of employment to employees of Contractor necessary or desirable to perform work described in this Agreement, in the event that: (i) County has the right to terminate this Agreement pursuant to Paragraph 27 (Termination for Insolvency); (ii) this Agreement is terminated by County due to Contractor's default pursuant to Paragraph 25 (Termination for Default); (iii) Contractor and County have followed the dispute resolution procedure set forth in Paragraph 63 (Dispute Resolution Procedure), and have otherwise exhausted other administrative remedies, if any, as determined by County; or (iv) Contractor either announces the withdrawal of support of, or otherwise no longer provides services County deems essential to, the ongoing support of the System.

50.3 The prohibition in this Paragraph 50 shall not apply to any hiring action initiated through a public announcement.

51. NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION /
TERMINATION OF AGREEMENT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any Service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for Services rendered after expiration / termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

52. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM

52.1 This Agreement is subject to the provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

52.2 If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subparagraph 1 above, be assessed a penalty in an amount of not more than 10 percent of the Contract Sum; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply if Contractor is no longer eligible for certification as a result in a change of their status and Contractor failed to notify the State and the County's Office of Affirmative Action Compliance of this information.

53. CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

53.1 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through employment or contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

53.2 As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable State and Federal provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or County's Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5245(b).

54. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 53 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute a default by Contractor under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within ninety (90) days of notice by County's Child Support Services Department shall be grounds upon which County's Board of Supervisors may terminate this Agreement pursuant to Paragraph 25 (Termination for Default) and pursue debarment of Contractor pursuant to Paragraph 57 (Contractor Responsibility and Debarment).

55. COMPLIANCE WITH JURY SERVICE PROGRAM

55.1 Jury Service Program

This Agreement is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service Program (hereinafter "Jury Service Program" or "Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code (hereinafter "County Code").

55.2 Written Employee Jury Service Policy

55.2.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to

a written policy that provides that its Employees (as defined in Paragraph 55.2.2 below) shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deducts from the Employee's regular pay the fees received for jury service.

55.2.2 For purposes of this Paragraph 55, "Contractor" means a person, partnership, corporation or other entity which has an agreement with County or a subcontract with Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under this Agreement, the subcontractor shall also be subject to the provisions of this Paragraph 55. The provisions of this Paragraph 55 shall be inserted into any such subcontract and a copy of the Jury Service Program shall be attached to the agreement.

55.2.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

55.3 Contractor's violation of this Paragraph 55 of this Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate this Agreement with Contractor and/or bar Contractor from the award of future County agreements for a period of time consistent with the seriousness of the breach.

56. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. - 57.2 Contractor is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the contract, debar Contractor from bidding on County contracts for a specified period of time not to exceed three (3) years and terminate any or all existing contracts Contractor may have with County, including this Agreement.
- 57.3 County may debar Contractor if County's Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated any term of a contract with County, or a nonprofit corporation created by County, (2) committed any act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.
- 57.4 If there is evidence that Contractor may be subject to debarment, County's Project Director, or his/her designee, will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before County's Contractor Hearing Board.
- 57.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor, County's Project Director, or his/her designee, and County's Departments shall be provided with an opportunity to object to the tentative proposed decision prior to its presentation to County's Board of Supervisors.
- 57.6 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to County's Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 57.7 The terms and procedures of this Paragraph 57 shall also apply to subcontractors, consultants and partners of Contractor performing work under this Agreement.

58. COUNTY AUDIT SETTLEMENTS

If, at any time during or after the term of this Agreement, or at any time after the expiration of termination thereof, representatives of County conduct an audit of Contractor regarding the work performed under this Agreement, and if such audit finds that County's dollar liability for such work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall, at County's sole discretion, either be: (i) repaid by Contractor to County by cash payment upon demand; or (ii) deducted from any amounts due to Contractor from County, whether under this Agreement or otherwise. If such audit finds that County's dollar liability for such work is more than payments made by County to Contractor, then the difference shall be repaid by County to Contractor, but in no event shall County's payments to Contractor exceed the Contract Sum identified in Paragraph 6.1 (Contract Sum).

59. FEDERAL ACCESS TO RECORDS

If, and to the extent that, Section 1861(v)(1)(i) of the Social Security Act (42 United States Code Section 1395x(v)(1)(i)) is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States or to any of their authorized representatives, the agreements, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents, and records of the subcontractor.

Contractor shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations and certificates required by all Federal, State, and local laws, ordinances, rules, regulations, guidelines and directives, which are applicable to Contractor's services under this Agreement. Contractor shall further ensure that all of its officers, employees, agents and subcontractors who perform services hereunder, shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations and certificates which are applicable to their performance hereunder. A copy of each such license, permit, registration, accreditation and certificate required by all applicable Federal, State, and local laws, ordinances, rules, regulations, guidelines and directives shall be provided, in duplicate, to Chief Information Officer, 500 West Temple Street, Room 493, Los Angeles, California 90012.

61. NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of this Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement, except that this provision shall not be construed to diminish Contractor's indemnification obligations hereunder.

62. GOVERNING LAW, JURISDICTION AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California applicable to agreements made and to be performed within the State. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California. As with respect to claims that are subject to exclusive Federal subject matter jurisdiction, Contractor agrees and consents to the exclusive jurisdiction of the Federal District Court of the Central District of California.

63. DISPUTE RESOLUTION PROCEDURE

All such disputes shall be subject to the provisions of this Paragraph 63 (hereinafter "Dispute Resolution Procedure"). Time is of the essence in the resolution of disputes.

63.2 Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance which County, in its sole discretion, determines should be delayed as a result of such dispute.

If Contractor fails to continue without delay its performance hereunder which County, in its sole discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by County, or County may deduct all such additional costs from any amounts due to Contractor from County.

If County fails to continue without delay to perform its responsibilities under this Agreement which County, in its sole discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

- 63.3 In the event of any dispute between the parties with respect to this Agreement, Contractor and County shall submit the matter to County's Project Manager and Contractor's Project Manager for the purpose of endeavoring to resolve such dispute.
- 63.4 In the event that the Project Managers are unable to resolve the dispute within a reasonable time not to exceed ten (10) days from the date of submission of the dispute, then the matter shall be immediately submitted to County's Project Director (with a copy to County's Contract Monitor) for further consideration and discussion to attempt to resolve the dispute.
- 63.5 In the event that the County's Project Director and Contractor's Project Manager are unable to resolve the dispute within a reasonable time not to exceed ten (10) days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's President and the Director. These persons shall have ten (10) days to attempt to resolve the dispute.
- 63.6 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under this Agreement and/or its rights and remedies as provided by law.
- 63.7 All disputes utilizing this dispute resolution procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in this Paragraph 63, the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.
- 63.8 Notwithstanding any other provision of this Agreement, County's right to terminate this Agreement pursuant to Paragraph 27 (Termination for Insolvency), Paragraph 25 (Termination for Default), Paragraph 28 (Termination for Improper Consideration), Paragraph 26 (Termination for Convenience), or any other termination provision hereunder, and County's right to seek injunctive relief to enforce the provisions of Paragraphs 15 (Proprietary Considerations) and 24 (Confidentiality), shall not be subject to this Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

64. ASSIGNMENT BY COUNTY

This Agreement may be assigned in whole or in part by County, without the further consent of Contractor, to a party which is not a competitor of Contractor and which agrees in writing to perform County's obligations under this Agreement.

65. WAIVER

No breach by Contractor of any provision of this Agreement can be waived unless done in writing. No waiver by County of any breach of any provision of this

Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

66. CONTRACTOR PERFORMANCE DURING CIVIL UNREST AND DISASTER

Contractor recognizes that County provides services essential to the residents of the communities it serves, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster or similar event. Notwithstanding any other provision of this Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible without related danger to Contractor's or subcontractors' employees and suppliers. During any such event in which the health or safety of any of Contractor's staff members would be endangered by performing their services on-site, such staff members may perform any or all of their services remotely. Failure to comply with this requirement shall be considered a material breach of this Agreement by Contractor, for which County may immediately terminate this Agreement.

67. DAMAGE TO COUNTY FACILITIES, BUILDINGS AND GROUNDS

66.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

66.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand or, without limitation of all County's other rights and remedies provided by law or under this Agreement, County may deduct such costs from any amounts due Contractor from County under this Agreement.

68. FORMS AND PROCEDURES

All forms and procedures used by Contractor in implementation of the provisions of this Agreement shall be subject to review and approval by County prior to use by Contractor. Such forms and procedures shall not conflict in any way with this Agreement and shall incorporate the terms and conditions of this Agreement. In the event of any conflict between such forms and procedures and this Agreement, the provisions of this Agreement shall prevail.

70.2 Severability

In the event that any provision herein contained is held to be invalid, void or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement, if practicable, and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid in its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law. If any provision of this Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective.

ASSIGNMENT OF PROPRIETARY RIGHTS:

As used in this agreement, "Works" means (i) any inventions, trade secrets, ideas, original works of authorship or Confidential Information (as defined below) that I conceive, develop, discover or make in whole or in part during my employment with Contractor which relates to the Contract, (ii) any inventions, trade secrets, ideas, original works of authorship or Confidential Information (as defined below) that I conceive, develop, discover or make in whole or in part during or after my employment with Contractor which are made through the use of any of Contractor's equipment, facilities, supplies, trade secrets or time, or which result from any work I perform for Contractor, and (iii) any part or aspect of any of the foregoing. "Confidential Information" means all information or material disclosed to or known by me as a consequence of my employment with Contractor, including third party information or information disclosed by County that Contractor treats as confidential, and any information disclosed to or developed by me or embodied in or relating to the Works.

All Works shall belong exclusively to Contractor whether or not fixed in a tangible medium of expression. Without limiting the foregoing, to the maximum extent permitted under applicable law, all Works shall be deemed to be "works made for hire" under the United States Copyright Act, and Contractor shall be deemed to be the author thereof.

If and to the extent any Works are determined not to constitute "works made for hire," or if any rights in the Works do not accrue to Contractor as a work made for hire, I irrevocably assign and transfer to Contractor to the maximum extent permitted by law all right, title and interest in the Works, including but not limited to all copyrights, patents, trade secret rights, and other proprietary rights in or relating to the Works. Without limiting the foregoing, I irrevocably assign and transfer to Contractor all economic rights to the Works, including without limitation the exclusive and unrestricted right to reproduce, manufacture, use, adapt, modify, publish, distribute, sublicense, publicly perform and communicate, translate, lease, import, export, transfer, convey and otherwise exploit the Works.

I expressly approve any and all modifications, uses, publications and other exploitation of the Works that Contractor or any successor or transferee of Contractor may elect to make, and I expressly agree that no such

modifications, uses, publications or exploitations will or may cause harm to my honor or reputation, or will be deemed to constitute a distortion or mutilation of the Works.

I agree to provide any assistance reasonably requested by Contractor, now and in the future, to obtain United States or foreign letters patent and copyright registrations covering inventions and original works of authorship belonging or assigned to Contractor. I shall execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the U.S. Copyright Office, the U.S. Patent and Trademark Office or any other entity). If Contractor is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated to transfer or assign, I irrevocably designate and appoint Contractor and its duly authorized officers and agents as my agent and attorney in fact, to act for and on its behalf and stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest and is irrevocable.

This agreement shall be construed in accordance with the provisions of Section 2870 of the California Labor Code (the text of which follows) relating to inventions made by an employee. Accordingly, this agreement is not intended and shall not be interpreted to assign to or vest in Contractor any of my rights in any inventions developed entirely on my own time without using Contractor's equipment, supplies, facilities, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the invention to Contractor's business or the actual or demonstrably anticipated research or development of Contractor, or result from any work I performed for Contractor.

California Labor Code Section 2870. Employment Agreements; Assignment of Rights

- (a) Any provision in an employment agreement which provides that an employee shall assign or offer to assign any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:
 - (1) Relate at the time of conception or reduction to practice of the invention to the employer's business or actual or demonstrably anticipated research or development of the employer; or
 - (2) Result from any work performed by the employee for the employer.
- (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

I expressly acknowledge and agree that I wish to remain anonymous and not to have my name or any pseudonyms used in connection with any Works, goods or services I provide under this agreement or the above referenced Contract.

I acknowledge that violation of this agreement may cause irreparable harm to County, which may not be compensated by monetary damages, and may subject me to civil and/or criminal action and that the County of Los Angeles may seek all possible legal and equitable redress, including, without limitation, injunctive relief.

SAFELY SURRENDERED BABY LAW

Certainly we would prefer that women seek help while they are pregnant, not after giving birth, to receive proper medical care and counseling. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in a hospital emergency room.

**The California Safely
Surrendered Baby Law:**

Allows a distressed birth parent(s) to legally, confidentially, and safely surrender their baby

Provides a safe place for babies

Protects the parent(s) from arrest or prosecution for abandonment as long as the baby has not been abused or neglected

Does not require that names be given when the baby is surrendered

Permits parents to bring a baby within 3 days of birth to any hospital emergency room in California

**In California, no one ever
has to abandon a child again.**

What is the Safely Surrendered Baby Law?

It's a new law. Under this law, a person may surrender their baby confidentially. As long as the baby has not been abused or neglected, the person may do so without fear of arrest or prosecution.

What does it require?

A distressed parent who is unable or unwilling to care for an infant can legally, confidentially and safely surrender their baby within 3 days of birth. All that is required is that the baby be brought to a hospital emergency room in California. If there are additional places, they will be listed on the back of this brochure. As long as the child shows no signs of abuse or neglect, no name or other information is required. A bracelet will be placed on the baby for identification. A matching bracelet will be given to the parent. The bracelet will help connect the parent to the baby if the parent wants the baby back.

Can anyone else bring in the baby?

In most cases, a parent will bring in the baby. The law allows another person to bring in the baby if they have legal custody.

When can a parent bring in the baby? Anytime, 24 hours a day, 7 days a week.

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week.

What information is required? Nothing. At all.

No. Nothing is required. However, hospital personnel will give the parent a medical information questionnaire that is designed to gather family medical history. This could be very useful in caring for the child but it is up to the parent to complete it.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a foster or pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Can a parent take the bracelet back to the hospital?

The parent(s) may take the bracelet back to the hospital. Hospital personnel will provide information about the baby.

What is the purpose of the law?

The purpose of the Safely Surrendered Baby Law is to protect babies from being hurt or killed because they were abandoned.

You may have heard tragic stories of babies left in dumpsters or public toilets. The persons who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants.

Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

What happened to the baby who was brought in on Thursday, July 25, 2002?

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law.

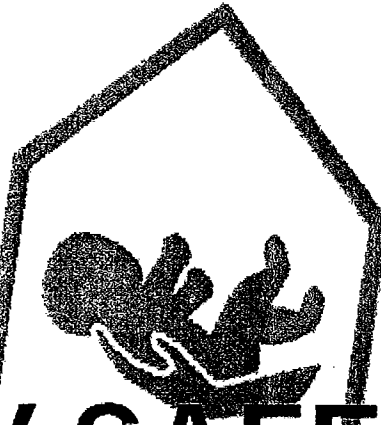

This baby was the eighteenth child protected under California's Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed in a foster home for short-term care while the adoption process was started.

Jury Service Ordinance

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
 - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
 - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
 - 3. A purchase made through a state or federal contract; or
 - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-3700 or a successor provision; or
 - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or
 - 6. A purchase card pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-2810 or a successor provision; or

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

7. A non-agreement purchase with a value of less than \$5,000 pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section A-0300 or a successor provision;
or
 8. A bona fide emergency purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section PP-11 00 or a successor provision.
- D. "Full time" means 40 hours or more worked per week or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer or the contractor has a long-standing practice that defines a full-time schedule as less than 40 hours per week.

2.203.030 Applicability.

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable.

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service.

2.203.050 Other Provisions.

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract.

2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,
2. Pursuant to chapter 2.202, seek the debarment of the contractor.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.070. Exceptions.

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
 - 1. Has ten or fewer employees during the contract period; and,
 - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
 - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.
